

Blue Hills Regional Technical School

Services Offered to the Public

Blue Hills offers a number of services to the members of our school district towns including: Avon, Braintree, Canton, Dedham, Holbrook, Milton, Norwood, Randolph and Westwood. All services are accepted or denied based on time and educational value and are accepted at the discretion of the program's lead teacher and/or Vocational Director.

AUTOMOTIVE TECHNOLOGY works on all makes and models, however the vehicle's age must be eight years old or newer and have less than 125k miles. The students perform repairs and are supervised by A.S.E. Master Automobile certified instructors. Services include brakes, steering and suspension, exhaust, heating and air conditioning, tune-up, transmission replacement, tires, tire balancing and alignments, check engine light diagnosis, and inspection stickers, etc.

Contact: 781-828-5800 x1110

AUTOMOTIVE COLLISION TECHNOLOGY works on all makes and models and offers services which include insurance collision claims and auto body work.

Contact: 781-828-5800 x1100

CONSTRUCTION TECHNOLOGY offers services which include additions to existing homes, sheds and outbuildings, decks, etc. Projects are priced to plans and specifications supplied by the owner after an initial deposit is made. The owners are responsible for obtaining a price for the materials and any permits. A \$250 deposit is required with the application.
